

/////Capturas de funcionamiento de los códigos

- **Codigo battleship.c**

The screenshot shows a Windows desktop with a dark theme. On the left, a code editor window titled 'main.c' displays C++ code for a game. The code includes headers, a menu function, a game loop, and a main function. The terminal window on the right, titled 'C:\Users\sergi\OneDrive\Desl', shows the program's output. It displays a menu with three options: '1 JUGADOR', '2 JUGADORES', and '3 SALIR'. Below the menu, there are two triangular patterns of dashes representing a game board. The prompt 'Seleccione una opcion: 1\|' is visible at the bottom of the terminal, indicating that the user has entered the number 1.

The image shows a C++ program running in a terminal window. The program is titled "main.c" and is located at "C:\Users\sergi\OneDrive\Desl". The terminal output shows the game interface for a Battleship game. The player "Josben" is prompted to enter a row and column (0-4). The current state of the board is displayed as follows:

```
--- TABLERO DE DISPAROS ---  
Turno: 5/5 | Impactos: 1/3  
  0 1 2 3 4  
0  2 2 ~ ~ ~  
1  ~ ~ ~ ~ ~  
2  ~ ~ 2 ~ ~  
3  ~ ~ ~ ~ 2  
4  3 ~ ~ ~ ~
```

The player is prompted to enter a row and column (0-4) again.
